

Confession for Pastor Winston

Father God, You are Jehovah Rapha, our Healer, and this is our prayer made without ceasing of the church for Pastor Winston.

Lord, we thank You for Your perfect love for Pastor Winston that avenges him speedily from every attack of the enemy.

We command every lying symptom to depart NOW, leaving no trace of any sickness or deficiency in his mind or body, in Jesus' Name!

We enforce the Word that is forever settled in heaven that Jesus Christ has destroyed the works of the devil; therefore, Pastor Winston is free, he is whole and his health is fully restored now—immediately, suddenly and straightaway.

We decree every system, organ, muscle, and cell of his body operates in perfection, with perfect range of motion, as God created it from the beginning.

We invoke the ministry of angels to effect this great miracle of salvation and deliverance from every evil attack against his health and wellbeing.

We praise You, Father, that Pastor Winston's body is preserved by the power of The Blessing and his youth is renewed like the eagle's.

We decree that this is done now, in Jesus' Name, amen!
